Dear Mother and Father,

Just a few lines hoping that this will find you in the best of health as it leaves me at present. Well Dear parents there is no need for you to worry about me. You knew what it was with Beccy and I. We loved one another and thro' her people she was not happy. You Dear ones will just have to bury the past. There is one Desire I have and that is my people together will get a good Wreath for her grave. I wish you to understand when you put that on her grave you put it on mine also. Give best love to brother John sister Isabel and Joe. I say "Cheer up old sports, Beccy and I will soon be together again where no one will ever part us!" I hope you understand she is waiting over there. I pray to God that I won't be long in stepping Jordan to meet her. Be sure to write back and don't forget (Blyth newspaper?) on Tuesday August 19th.

Never worry I am prepared to die quite willing to follow my Darling Beccy.

I Remain still
Your loving son
Ernie

Love and kisses to all

LOVE

Don't forget to be sure to write to Uncle Mick.

Her last worry is over and mine won't be long.
